

Office of the MAYOR

CITY OF GROTON
CONNECTICUT

Proclamation

PUBLIC POWER WEEK

Whereas, in the early 1900's, City of Groton residents invested in a municipal public power department that became known as Groton Utilities; and

Whereas, Groton Utilities provides safe, reliable, and affordable electricity to the City of Groton and the surrounding area; and

Whereas, Groton Utilities is committed to improving the quality of life of its rate payers and recognizes the vital role in providing the foundational infrastructure necessary for a vibrant and resilient community to thrive; and

Whereas, Groton Utilities strives to be a premier utility; At Your Service; and

Whereas, Groton Utilities' success directly stems from community ownership and local decision makers; and

Whereas, the City of Groton Mayor, Council, Commission and Residents recognize the people behind Groton Utilities and public power who remain committed to keeping our community energized; and

Whereas, Groton Utilities is celebrating Public Power Week along with more than 2,000 other community-owned, not-for-profit electric utilities nationwide;

NOW, THEREFORE BE IT RESOLVED that I, Keith Hedrick, Mayor of the City of Groton, on behalf of the citizens and City Council do hereby proclaim the week of October 2-8, 2022 as

PUBLIC POWER WEEK

Recognizing all of the teams at Groton Utilities that play a vital role in keeping our community up and running; from linemen and substation personnel, to engineering, operations and administration, all whom contributes to Groton Utilities' and the great public power community success.

Given under my hand this 3rd day of October, 2022.

Keith Hedrick
Mayor, City of Groton
