

**9. AN ORDINANCE REQUIRING THE TRIMMING OF BRANCHES ABOVE PUBLIC HIGHWAYS (MAY 26, 1904)**

Trees with branches projecting over the public highway shall be kept trimmed to a point at least 15 feet above the public roadway and seven and a half feet directly over the sidewalk.

In case of neglect to obey this ordinance, the mayor and council may order the trees trimmed according to the terms of this by-law, and the expense attendant thereto charged to the property owner in front of whose premises the trees stand.
